Identification Number: C00082925

Reference: Amended Year End Report (11/28/06-12/31/06), received 2/24/07

Dear Mr. Raffa:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report discloses in-kind activity which appears to be reported incorrectly. Please be advised that in-kind contributions should be disclosed as receipts on Schedule A and reflected on the appropriate line of the Detailed Summary Page. In addition, the value of the in-kind contributions must be added to the operating expenditures total on Line 21(b), in order to avoid inflating the cash-on-hand amount. 11 CFR §104.13(a)(2) Please amend your report to properly disclose the in-kind activity.

-Your report discloses transfers for "NOTE: CORRECTIVE XFER/SAHARA DURANGO" and "NOTE: TRANSFER TO STATE ACCT" to the Nevada Republican Party NonFed Acct which appears to be a non-federal account of your committee. 11 CFR §§106.6 and 106.7 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

27039424978

non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

-Please clarify all expenditures made for "Consulting Fundraising/NONEMPLOYEE" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

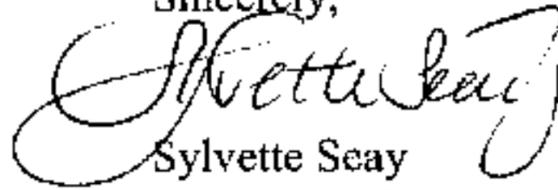

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for**

extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
