Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Please clarify your relationship, if any, with "Invest in a Strong and Secure America (ISSA PAC)," which appears to be an affiliated committee. For further guidance on the question of affiliation, please refer to 11 CFR §100.5(g) and §110.3. If your committee is affiliated with "Invest in a Strong and Secure America (ISSA PAC)" you should amend your Statement of Organization to reflect this relationship as "affiliated" on Line 6. In addition, if the committee is directly or indirectly established, financed, maintained or controlled by a federal candidate or officeholder, but is not an authorized committee or party; you must check the Leadership PAC box and identify the sponsor on Line 6. Please amend your Statement of Organization to clarify this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
