Federal Election Commission
Washington, DC 20463

Dear Sir or Madam:

Enclosed is the revised disclosure report for the reporting period January 1, 1995 through June 30, 1995. All information in this report is complete and accurately reflects our records.

Please note that the beginning cash on hand value (Form 3X-1 line 6b) has been increased from the original report to reflect the correct cash balance at the start of 1995. The difference between the new starting cash balance and the 1994 year end cash balance appears to be a result of reporting errors in 1994 totaling $8,649.78. Debts totaling $7,745.90 to Charles Rolland appear to have been reported as expenditures at various times thoughout 1994 as well as being shown as debt on 1994 Schedule D's. The reported 1994 cash balance incorrectly reflected that these payments were already made, even though the payments were not actually made until January 6, 1995.

The remaining $903.88 difference in the 1994 ending cash balance and the cash balance in our bank accounts at the start of 1995 can be accounted for by miscellaneous reporting errors.

In some cases, the employer and occupation information is missing from the report of contributors of over $200. Enclosed is documentation of our best efforts to obtain this information, including :

1) Our business reply envelope used with fund-raising mailings, which includes a request for occupation and employer information.

2) The front (A) and back (B) of the pledge form sent to our telemarketing donors, which includes a request for occupation and employer information.

3) An example of the followup letter sent to our large contributors from whom we have incomplete occupation and employer information.

4) A list of the names and addresses of large contributors to whom we have sent a followup letter but have not yet received an answer.

Sincerely,

Linda Dodte
Comptroller

Dear Mr. Carey,

Thank you for your generous support so far this year.

The Federal Election Commission and Washington State Public Disclosure Commission require us to report the occupation and employer of large individual contributors. Our records indicate that you meet this reporting criteria, and that either we have not yet obtained your occupation and employer, or this information is incomplete.

For your convenience, the bottom of this letter contains a form for the required information. I would appreciate it if you could take a moment to fill in the information and return this letter to us in the enclosed stamped envelope.

Thank you for your assistance.

Sincerely,

Joe Nilsson, Treasurer
