I just filed FEC FEC-510318 to report a contribution of \$217.84 on 10/15/2010. I did not report it earlier because it was under \$500. I tried to report it yesterday with the 24 hour report for Oct 21 because we crossed the \$500 threshold with the deposit made on Oct 21. The system would not allow me to do this b/c of the difference in dates. Please contact me if this should be done differently. 414.426.6891.
