Reference: December Monthly Report (11/1/02-11/31/02)

Dear Mr. Byrd:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- Schedule B discloses an in-kind contribution to Paul Wellstone for the 2002 General Election made after 10/25/2002; however, once a candidate is no longer a candidate in the general election, all contributions made should be returned. 11 CFR §110.1(b)(3)

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report to with clarifying information.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee. In addition, any refunds received should be reported on Line 16 of the Detailed Summary Page and on Schedule A. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund will be taken into consideration.

-Line 21(a) of the Detailed Summary Page discloses joint federal/non-federal operating expenditures during the reporting period. Committees must itemize each allocated disbursement made from its

federal account or separate allocation account regardless of the amount.
Please amend your report(s) by itemizing the expenditures on Schedule H4.
11 CFR §104.10

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
