RESPONSE to FEC Letter of September 7, 2007

Dear FEC,

In response to your letter referencing our May Monthly report requesting additional information for the following items:

1. debts and repayments to Cavalier Telephone resulting in a negative balance: the report has been amended to correctly report the transactions and the amended report has been filed with FEC;
2. debts and repayments to Fairfax Professional Village resulting in a negative balance: the report has been amended to correctly report the transactions and the amended report has been filed with FEC;
3. Schedule A contributions from political committees not registered with FEC:
 - a. The contribution from the 11th Congressional District of VA Republican Committee: we have received written confirmation from the donor that it has received sufficient funds subject to the limitations and prohibitions of the Act in order to make the contribution.
 - b. This contribution from the Eighth Congressional District Republican Committee: this contribution appears to be mistakenly questioned as the committee is registered with the FEC (# C00043919) and this contribution is properly disclosed on its May Monthly report;
 - c. The contribution from the Friends of Mychelle Brickner committee: we have received written confirmation from the donor that it has received sufficient funds subject to the limitations and prohibitions of the Act in order to make the contribution.

Thank you very much for your assistance in resolving these issues. Please do not hesitate to let me know if you have any further questions about these transactions.

Sincerely,

Michael Rumberg
Treasurer
Fairfax County Republican Committee
