This is in response to your inquiry regarding three contributions that were reported as occurring after the November 8 2022 election date and references 30 DAY POST GENERAL REPORT 10.20.2022 to 11.28.2022.

We have amended 3 reports as of 4.11.2023 to correct the contribution date to the date that the check was cut and mailed. According to the Contribution Limits page found on the FEC website we were to record the date in which we relinquished control over the check ie the date that it was mailed. Our process is to cut and mail the check on the same day.

We amended the 30 day Post General to delete the 3 contributions to the recipients mentioned above. We also amended the October 15 Quarterly to correctly add the contribution for Texans for Senator John Cornyn Inc. We also amended the 12 day Pre General to correctly add the contributions for Comer for Congress and Cole for Congress
