RE: Year-End Report (10/01/2012 - 12/31/2012)

Dear Ms. Sugarman,

This letter is in response to the FEC letter dated May 3, 2013.

The Republican Jewish Coalition (RJC) reported the Independent Expenditure made via Angler LLC within 24 hours of its receipt of the vendor's invoice. A miscommunication between RJC and the vendor delayed the reporting of the Independent Expenditure identified in your letter.

The RJC was not aware when the vendor began the Independent Expenditure and, as such, did not know when it had a reporting obligation. Within 24 hours of becoming aware of the activity, the RJC reported the Independent Expenditure to the FEC.

RJC has a strong history of compliance with FEC regulations and deadlines. We make every effort to report our activity as required by the Commission. Accordingly, we request the FEC excuse the minor reporting delay of 3 days and \$1,113.66 given the facts presented above.

Sincerely,

Craig Engle
Legal Counsel
