Dear Mr. McNaughton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-In your letter of 11/14/00, you state that Schedule B for line 23 "has been modified to delete" the \$1,000 contribution to Dickey for Congress, which was returned to your committee. Since your committee did, in fact, contribute to this candidate, you should amend your report to disclose this contribution on Schedule B for line 23. In addition, please note that checks written by your committee to candidates, that are not cashed, should be itemized on Schedule B supporting Line 23 as negative entries on the report(s) covering the date you voided the contributions. Please amend this report and subsequent reports to correct this apparent discrepancy.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
