Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Any affiliated or connected organization must be identified on your Statement of Organization. For further guidance on affiliated committees and connected organizations, please refer to 11 CFR §§100.5(g) and 100.6. If there are no other committees or organizations with which you share control or financing, please indicate "None" on Line 6. If you do share control or financing with other committees or organizations, please indicate their names, addresses, and relationships on Line 6. 11 CFR §102.2
2. Your Statement of Organization was not signed. Please amend your filing by including the original signature of the treasurer and complete treasurer identification on Line 8. 11 CFR §102.2(a)(1)
3. Line 8 of your Statement of Organization did not provide the necessary information about your committee's treasurer. Please be advised that the treasurer's name and address should be disclosed on Line 8 of the original Statement of Organization. This method of reporting would clarify for the public record the individual responsible for fulfilling the official duties of the position. Please amend your Statement of Organization to clarify this apparent discrepancy. 11 CFR §102.2(a)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694- 1143.
