1. CASE Action Fund has amended its report to disclosed the expenditure information requested.

2. CASE Action Fund filed its original 48-hour reports based on initial activity and estimates. In this instance, the filer crossed the threshold based on estimated activity on August 31, 2020 and filed the 48-hour report on September 6, 2020, four calendar days late but well in advance of the November election. Moreover, because the report was based on initial activity and estimates, CASE Action Fund has now amended the 48-hour report to remove the expenditures and file a new report disclosing the actual expenditures made.
