Dear Mr. Studevart:

On March 15, 1995 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your March 30, 1995 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-When contributors designate candidates to receive funds from their ledger accounts, the committee should report the designations as memo entries on Schedule A. These entries should indicate that they were collected through a payroll deduction plan; when reporting payroll deductions you must disclose the amount deducted for each pay period. Please amend your report by providing a memo Schedule A which identifies the contributors who have earmarked their contributions.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Jordan Frame on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

A handwritten signature in cursive script that reads "John D. Gibson".
