

This Form 99 Miscellaneous Report is being filed in response to the FEC's May 19, 2010 letter to ANLA PAC regarding our 2010 April Quarterly Report.

Specifically, the May 19, 2010 letter from the FEC raised a question regarding contributions to Citizens for Arlen Specter that exceed the federally-mandated amount of \$5,000 for a primary election cycle.

A data entry mistake was made when ANLA-PAC was switching over to a new internal accounting control system. ANLA-PAC has requested a refund of \$2,500 from Citizens for Arlen Specter in order to be in compliance. This letter, as well as a copy of this message, has been transmitted via fax to Mr. Daniel Buckley at the FEC.

Procedures have been established to ensure proper financial management of the committee moving forward, as the account will be professionally managed according to best accounting practices and protocol.
