Reference April Quarterly Report (01/01/2014 - 03/31/2014)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

Our now terminated committee did have in place a system that met the best efforts standard established by the Commission. All of our original solicitations had the request for employer and occupation information on them. We informed the potential donor that we were required by federal law to request this information. For the donors that did not provide that information, we automatically sent them a written request for it within 30 days. This follow up did not request any additional monies and contained a self-addressed envelope and again informed the person of the federal requirement for requesting the information. Finally, we added the new information to our database and included it in amended reports filed with the commission and subsequent reports filed thereafter.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Friends of Gary Gerrard Inc
