Response Due Date:

Identification Number: C90007907

Reference: 30 Day Post General Report (10/19/06 – 11/27/06)

Dear Ms. Saer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-On Schedule E of this report, you have not itemized all of the necessary independent expenditure information. Proper disclosure requires the full name and address of the payee, the date, the amount, the aggregate calendar-year-to-date per election for office sought, the purpose, the election, and the name, office sought, state and district of the federal candidate supported or opposed by the expenditure. Please amend your report to include the calendar-year-to-date per election for office sought and the election for each expenditure. (11 CFR §109.10(e)(1))

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any
