Re: July Quarterly Report (04/01/08-06/30/08)

In response to your letter dated September 3, 2008 concerning administrative expenses, Conservative Opportunities for a New America (CONA-PAC) pays \$250.00 per month to William Bain; accounting services (\$200) and rent (\$50). CONA-PAC does not have a separate phone line or separate address. CONA-PAC uses the telephone and mailing address of William Bain. There is limited activity engaged in by CONA-PAC; deposit of contributions, issuance of checks for expenses and FEC reporting, and at this time those activities are covered by the payment for accounting services to William Bain.

If there are additional questions, please let me know.

William Bain
Treasurer
