Due to FECfile software limitations, we are unable to amend the April 2012 Quarterly Report. We would like to amend the report so that we may indicate that the 3/27/12 contribution to Sen. Rob Portman was intended to go towards his 2016 General Election. Due to a clerical error, this contribution indicates that this was for his 2012 General Election. However, Sen. Portman did not participate in a 2012 General Election.
