This report is in response to a letter the United States Telecom Association Political Action Committee, Identification # CDDDD0984, received from the Federal Election Commission on May 17, 2004. The letter stated that: "Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the Ohio and California primary elections; however, the funds were disbursed after the election date(s)."

After receiving this letter, USTAPAC immediately corrected the error by sending a letter to the Citizens for Gillmor Campaign and the Mary Bono Committee requesting them to redesignate the funds that were sent to their campaigns to the appropriate election, which is the General election 2004.

Our next step to correct the error was to file the following amendment to the report. This amendment will be filed immediately following this report.
