Response Due Date

03/01/2013

IDENTIFICATION NUMBER: C00019331

REFERENCE: OCTOBER MONTHLY REPORT (09/01/2012 - 09/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 12 item(s):

1. The totals listed on Line(s) 11(a)(iii), 11(c), 11(d), 17, 21(a)(i), 21(a)(ii), 21(b) and 32, Column B of the Detailed Summary Page(s) appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the Calendar Year-to-Date totals. (2 U.S.C. § 434(b))
2. Your calculations for Line 8 appear to be incorrect. Cash on hand at the close of the current reporting period should always equal the closing calendar year to date cash on hand amount. Please provide the corrected total on the Summary Page. (2 U.S.C. § 434(b))
3. Your calculations for Line(s) 11(a)(iii), Column B appear to be incorrect. Please provide the correct totals on the Detailed Summary Page. (2 U.S.C. § 434)(b)(7))
4. Schedule A of your report discloses aggregate year-to-date total(s) for some contribution(s) (see attached) which appear to be incorrect. Please amend your report to provide the correct aggregate year-to-date totals. Please note that this problem frequently occurs when the contributor name is entered in the committee's electronic reporting database more than once using a different

spelling and/or format. This prevents the database from properly aggregating contributions from the same individual or entity. Ensuring that the name of each contributor is entered into the database only once would help avoid year-to-date errors. When reporting contributions from political action committees, using the contributor's FEC identification number will help prevent duplicate entries. (11 CFR § 104.3(a)(2))

5. Schedule A, supporting Line 12 of your report discloses transfers totaling \$103,821.58 from "Obama Victory Fund 2012," that appear to be received through joint fundraising efforts. However, "Obama Victory Fund 2012" is not disclosed as a joint fundraising representative on your Statement of Organization. Please amend your Statement of Organization to disclose the joint fundraising representative or amend your report to provide clarifying information. (11 CFR §102.2)

6. Schedule A supporting Lines 11(b) and 12 discloses a transfer(s)-in from "Democratic National Committee" and "Democratic Senatorial Campaign Committee." Schedule B supporting Line 21(b) reflects payments for "volunteer exempt mail." Please be advised that a state or local party committee may pay for campaign materials (such as pins, posters, bumper stickers and yard signs) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election and for voter drive activity conducted on behalf of the party's Presidential and Vice Presidential nominees. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate. Please amend your report or provide clarifying information.

7. You have made disbursements for "printing- volunteer exempt," "printing-

volunteer exempt material," "printed materials- volunteer exempt" and "volunteer exempt" which you have characterized as exempt activities. In order for an activity to be classified as exempt, it must meet the following conditions: (1) For slate cards and sample ballots: it names at least three candidates running for election to any public office, it is not distributed through public political advertising (including broadcast media, newspapers, magazines, and billboards), the content is limited to the identification of each candidate, the office or position currently held, the office sought and party affiliation, and the costs allocable to federal candidates are paid with permissible funds; (2) For campaign materials: the activity is conducted on behalf of the party's nominees in the general election, the materials are distributed by volunteers--not through public political advertising, the party committee does not use materials purchased by the national party committee or money transferred from the national committee to purchase materials, the party committee does not use funds designated for a particular federal candidate, a payment from a non-federal campaign to help pay for the materials does not exceed its allocated share of the expenses, and the costs allocable to federal candidates are paid with permissible funds; (3) For voter drives: the activity is on behalf of the party's Presidential and Vice Presidential nominees, the activity does not involve the use of public political advertising such as television, radio, newspapers, magazines, billboards or direct mail, phone banks are operated by volunteers (although paid professionals may design the system, develop calling instructions and train supervisors), the party committee does not use funds transferred by the national party committee for voter drive activities, the party committee does not use funds designated for a particular federal candidate, and the cost allocable to federal candidates are paid with permissible funds. (11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149)

If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, and if any portion of the expenditures were made on behalf of specifically identified candidates, this amount must be disclosed on Schedule B, E or F supporting Line 23, 24 or 25 of the Detailed Summary Page as appropriate. Please provide the Commission with a more detailed explanation of these activities.

8. On Schedule(s) B and H4 supporting Line(s) 21(b) and 21(a) of the Detailed Summary Page, you have not included the full name and/or mailing address for several vendors listed. Please amend your report accordingly. (11 CFR § §104.10(b)(4) and 104.17(b)(3))

9. Itemized disbursements must include a brief statement or description of why

the disbursements were made. Please amend Schedule(s) B and H4 of your report to clarify the following description(s): "outreach," "volunteer exempt" and "convention expenses." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

10. Schedule H4 supporting Line 21(a) of your report discloses a payment(s) for "dental/life insurance," "FICA Match," "health insurance," "health insurance reimbursement," "insurance," "payroll-see memo," "salary" and "WI unemployment." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal Election Activity (FEA) or activities in connection with a Federal election must not be allocated between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

11. Schedule H4 of your report discloses a disbursement(s) for "convention hotel for college dems" and "shipping boxes from convention." Please be advised that expenses related to sending a delegate to a National Convention do not qualify as shared expenses to be allocated between your federal and non-federal accounts. Federal operating expenses should be disclosed on a Schedule B supporting Line 21(b) of the Detailed Summary Page. Any reimbursement from your committee's non-federal account for this disbursement(s) is not permissible and should be transferred-out immediately. (11 CFR §102.5(a)(1)(i)) Please amend your report to clarify the disbursement(s).

12. Schedule H4 of your report discloses a payment(s) for "intern stipend/wages." Please be advised that a political committee may maintain a petty cash fund out of which it may make expenditures not in excess of \$100 to any person per purchase or transaction. (11 CFR §102.11) However, if this expenditure(s) represents an apparent reimbursement(s) to an individual(s) for

DEMOCRATIC PARTY OF WISCONSIN

apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500, there are additional reporting requirements. Please provide clarifying information regarding this activity and amend your report to include any missing information as noted below.

When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Schedule H4 should clearly identify which reimbursement each memo entry relates to. (11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1143.
