IDENTIFICATION NUMBER: C00467233

REFERENCE: JULY QUARTERLY REPORT (04/01/2012—06/30/2012)

Dear Ms. DeBerry,

This statement is in response to the Commission's letter dated December 14, 2012. The Commission requested additional information on four items.

First, the Commission requested clarification on contributions that appear to exceed federal limits. Individuals or Committees that appear to exceed the contribution limits do not. Any amount over the contribution limits has been refunded, reattributed within the 60 days, or re-designated to the Committee's General Election Account. These are reflected in subsequent reports. A few individuals were mistakenly over the limit due to duplicate records. As soon as the Committee was aware, contribution refunds were issued. These refunds are reflected on subsequent reports. The contribution from Michael Muldowney of $10 on 9/30/11 was mistakenly reported. This contribution was from a different, unitemized donor.

Second, the Commission requested clarification on contributions from LLCs. Our Committee has safeguards in place to ensure that all contributions are made by eligible donors only.

Third, regarding any donors who had mailing addresses outside the United States, our Committee has safeguards in place to ensure that all contributions are made by eligible donors only.

Fourth, the Commission requested clarification on earmarked contributions through a conduit. All donors who contribute through a conduit are itemized if their individual aggregate is over $200 pursuant to FEC regulations. The total amount earmarked by the conduit as shown in Line 11(c) of the report and the contributions disclosed in Line 11(a) differ by an amount that represents unitemized contributions. No further itemization is required under FEC regulations.

This should answer the Commission's inquiry.

Sincerely,
Bradley T. Crate
Treasurer
