Reference: Amended April Quarterly Report (01/01/2014 – 03/31/2014)

This letter is in response to your letter dated June 17, 2014. Please see amended filing enclosed with this letter.

Item 1.

None of these items were excessive contributions. Paola Luptak, Denny Gamble, and SVC. of GR, LLC were data input coding mistakes and have been corrected in the amended report attached. Warren Montgomery and Associated Builders & Contractors PAC were re-designated to the general election in the July 2014 FEC report. In the the April 2014 FEC report, Christopher Schouest was re-attributed to his wife and Baker Pile Driving was re-designated to the general election.

Item 2.

The disbursements in question were voided checks related to duplicate payments for the April 2014 quarterly report. There were no goods or services received for which payment was not made during the reporting period.

Item 3.

Our committee is aware that Commission Regulations require disclosure in regards to the identification of all individuals who contribute in excess of $200 in an election cycle. We are also attentive to the fact that our report discloses contributions from those individuals for which identification is not complete. However, our committee attempted to obtain the incomplete information to the best of our abilities.

The procedures for requesting the absent information are described below:

Our committee's original solicitations include a clear request for the contributor's full name, mailing address, occupation, and name of employer. The request informs the contributor of the requirements of federal law for reporting of such information and clearly asks for the missing information in a clear and conspicuous manner.

For each contribution received aggregating in excess of $200 per election cycle, which lacks required contributor information, such as the occupation or name of employer, our committee makes at least one additional follow-up request, without soliciting a contribution, after the receipt of the contribution in order to obtain the missing information.

As in the past, our committee attempts to obtain the contributor's missing information through a written request within 10 days of the contribution where it is determined that the donor has exceeded the $200 aggregate threshold. This written request does not solicit a contribution. This request informs the contributor, as in the original solicitation, of the federal law requirements for reporting such information. This request also includes a pre-addressed post card.

Upon receipt of the requested information, our committee updates our reports to incorporate the information received. In addition, our committee's database is modified with a memorandum entry stating the missing information was received and is adequately reflected.

Please see the amended report filed with this letter

Sincerely,

Ralph Stephens, Treasurer
Bill Cassidy for US Senate
