Regarding negative receipts listed on line 11(a)(i) with the description of 'ACH Return', these are interbank clearing of electronic payments processed by the Automated Clearing House (ACH) network of participating banks and the Federal Reserve. These are returns of contributions by individuals which have been deducted from our credit card merchant account or bank account by the credit card company or bank.

Form/Schedule:**SA15**
Transaction ID:

With regard to the usual and normal charge for fees received from a federal candidate on Schedule A supporting Line 15, the RNC charges fair market value for services it provides. Prices are intended to recover the cost for providing the service. The services reported on this schedule for which the RNC received payment were not services of a nature which is unique to the RNC. Services of this type are common in the business community and as such, the RNC compares and sets the price charged to prices available from other commercial sources.
