The attached amendment corrects the Column B figures on the Summary and Detailed Summary Page. The records for a partnership have been updated so as to report the correct cycle-to-date figures for its contributions. Our procedures for entering partnerships have been reviewed so that partnerships will be reported correctly in the future. We have also reviewed our procedures for recording last minute contributions received after the close of books for the 12 Day Pre-General report, and will be certain to put better procedures into place should the campaign again be involved in a pre-election reporting period. Finally, the committee received the contributions reported on the 48-hour reports only once; it was a reporting error on the part of the campaign to report them multiple times.
