In response to a letter dated August 28, 2007 from Ms. Leah Palmer, Senior Campaign Finance Analyst, concerning the problem with 3Z-1 Form, the 2006 Post General report has been amended to reflect the contribution received after 11/08/06 are designated to the 2008 Primary election. Also, concerning disclosure of identification of individuals who contribute in excess of \$200 in an election cycle, the committee has demonstrated a best effort attempt to obtain employer and occupation information from all contributors making contribution in excess of \$200. The steps that this committee has taken are as follows: First, at the time of the original solicitation a request card is enclosed asking each contributor for the needed information. This card states the reason for the information citing the federal statute. If the needed information is not received then a series of telephone calls are made to the contributors as a stand alone effort. These calls are made within 15 days of the contribution. Finally, if the series of telephone calls are not successful, then a letter is sent to the individual. This letter clearly asks for the missing information without soliciting an additional contribution.
