This memo and amended report is a response to the August 21, 2008 request for information. Amended report re establishes a 0 threshold for all contributions resulting in adjustments of Individual Itemized 11 (a) (i) and Individual Unitemized 11 (a) (ii) entries for this report and all subsequent reports. The return to 0 as a reporting threshold should remove any appearance of discrepancies within these two categories, although the total contributions from individuals, line 11 (a) (iii) does not change.
