In the event of any default hereunder, or in the event of any default in any other agreement between Obligor(s), or any of them, and the Bank, or in the event of the death, failure in business, insolvency, dissolution or termination of existence of the Obligor(s), or any of them, or in case any petition in bankruptcy should be filed by or against the Obligor(s), or any of them, or any proceeding in bankruptcy or under any Acts of Congress relating to the relief of debtors should be commenced for the relief or readjustment of any indebtedness of the Obligor(s), or any of them, or if the Obligor(s), or any of them, should make an assignment for the benefit of creditors or take advantage of any insolvency law, or if a receiver of any Property of the Obligor(s), or any of them, should be appointed at any time, or if any Property of the Obligor(s), or any of them, which may be in, or come into, the possession or control of the Bank or any third party acting for the Bank should be attached or distrained, or should be or become subject at any time to any mandatory order of court or other legal process, or upon the good faith determination by the Bank that it deems itself insecure or that a material adverse change in the financial condition of the Obligor(s), or any of them, has occurred since the date hereof or that the Bank's prospect of payment hereunder has been impaired, then, or at any time after the happening of any such event, the amount of the Credit, as well as any and all other amounts payable hereunder to the Bank shall, at the option of the Bank, become immediately due and payable without demand or notice, and full power and authority are hereby given to the Bank to sell, assign and deliver all or any part of the Property, or any substitution(s) thereof or additions thereto, at any broker's board, or at public or private sale, at the option of the Bank, either for cash or on credit or for future delivery, without assumption of any credit risk, and without demand, advertisement or notice of any kind, all of which are hereby waived. At any sale hereunder, the Bank may itself purchase the whole or any part of the Property sold, free from any right of redemption on the part of the Obligor(s), or any of them, all such

rights being also hereby waived and released. In event of any sale or other disposition of any of the Property, and 9503230050
deducting all costs and expenses of every kind for care, safekeeping, collection, sale, delivery or otherwise, the Bank may apply the residue of the proceeds of the sale or other disposition thereof to the payment or reduction, either in whole or in part, of all or any of the obligations hereunder, whether then due or not due, and may return any surplus to the Obligor(s), or any of them, all without prejudice to the rights of the Bank as against the Obligor(s) with respect to any obligations which may be or remain unpaid hereunder at any time(s).

4. No delay on the part of the Bank in exercising any power of sale, option or other right hereunder shall constitute a waiver thereof, to limit or impair the right of the Bank to take any action or to exercise any power of sale, option or any other right hereunder, without demand or notice, or prejudice the rights of the Bank as against the Obligor(s) in any respect. Any and all rights, liens and security interests of the Bank hereunder shall continue unimpaired, and the Obligor(s), and each of them, shall be and remain obligated in accordance with the terms and provisions hereof notwithstanding the release or substitution of any Property, or any delay, extension of time, renewal, compromise or other indulgence granted by the Bank, the Obligor(s), and each of them, hereby waiving notice of any such delay, extension, release, substitution, renewal, compromise or other indulgence.

5. The Bank, and its branches, affiliates and correspondents, shall not be liable or responsible in any respect for any: (a) error, omission, interruption or delay in transmission, dispatch or delivery of any one or more messages or advices in connection with the Credit, whether transmitted by cable, radio, telex, telegraph, or other telecommunication device, mail or otherwise and despite any cipher or code which may be employed, or (b) action, inaction or omission, which may be taken or suffered, or not taken, by it or them in good faith or through inadvertence in identifying or failing to identify any beneficiary or otherwise in connection with the Credit.

6. The Credit may be amended, modified or revoked only upon the receipt at the main office of the Bank from the Obligor(s), or any of them, with or without notification to the others, of a written request therefor, and then only upon such terms and conditions as the Bank may prescribe.

7. This Agreement shall become effective upon its receipt by the Bank, shall be governed by the laws of the jurisdiction in which the Bank was organized, in all respects, including (without limitation) matters of title, construction, validity, performance and discharge, and shall be binding upon the Obligor(s) and its, his or her (or their respective) successors, assigns, heirs and legal representatives, and shall not be waived, altered, modified or amended as to any of its terms or provisions, except as the Bank may consent thereto in writing. No assignment or other transfer of all or any of the rights or obligations of the Obligor(s) hereunder may be made without the prior consent in writing of the Bank.

8. The Credit shall, except as otherwise provided therein, be governed by and subject to the Uniform Customs and Practice for Documentary Credits (1983 Revision) International Chamber of Commerce Brochure No. 400 and, to the extent not inconsistent therewith, the laws of the jurisdiction in which the Bank was organized.

9. In addition to commissions, fees and amounts otherwise payable with respect to the issuance of the Credit, the Obligor(s) shall pay to the Bank on demand such amounts as the Bank in its sole discretion determines is necessary to compensate it for any reduction in the rate of return on the Bank's capital as a consequence of its obligations under the Credit and for any costs attributable to its issuing, maintaining or having outstanding or making payment under the Credit resulting from the application of or compliance with any domestic or foreign law, rule or regulation or the interpretation or administration thereof applicable to the Bank regarding any reserve, assessment, capitalization (including the cost of maintaining capital sufficient to permit issuance or maintenance of the Credit), provided the cost attributed to the Credit is determined in good faith by any reasonable or similar method, whether existing at the time of issuance of the Credit or adopted thereafter.

To induce the establishment of the Credit, the undersigned (jointly and severally if more than one) agree(s) to the terms and conditions set forth herein, it being understood that the word "Obligor", wherever appearing herein, shall refer to each of the undersigned Applicant and Guarantors.
