REFERENCE: JULY QUARTERLY REPORT (04/05/2018 - 06/30/2018)

Dear Ms. Seufert:

This response pertains to the Commission's Request for Additional Information ("RFAI") dated October 10, 2018, concerning descriptions used for certain itemized disbursements reflected on Schedule B supporting Line 21(b) of the Congressional Leadership Fund's ("the Committee") 2018 July Quarterly Report ("the Report").

An amendment has been filed concurrently with this response to clarify the entries identified in the RFAI, except those relating to disbursements for the Committee's "Intern Reward Program". Those disbursements were for both cash payments and purchases of supplies provided as small incentives/rewards for the Committee's most well-performing interns. The Committee thus believes the "Intern Reward Program" description used in the Report most adequately reflects this purpose on the public record.

Please feel free to contact us if you have any further questions.

Sincerely,

Caleb Crosby

Treasurer
