The payments for salaries and wages listed as not FEA are for employees who did not spend more than 25% of their time on Federal Election Activity. None of the expenditures for direct mail, fundraising, postage and tele-marketing included on Schedule B supporting line 21(b) were on behalf of a clearly identified candidate for federal office and do not promote, support, attack or oppose any candidate for federal office. This amendment is filed in response to your notice of February 23, 2005. Most of the issues in this notice have already been addressed in previous amendments. This amendment addresses the issue of Direct Mail allocation ratio. References to casual labor, getting people out to vote, voter drive expenses are primarily paid volunteers. Expenditures for pins, banners and signs were all promotional and not candidate specific. Payment for these items were NOT made from transfer-in from the national committee. Some FEA payroll was reported incorrectly and has now been corrected.
