Reference: May Monthly Report (4/1/98-4/30/98)

Dear Mr. May:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report discloses a \$10,980 payment to your connected organization for in-kind contributions to federal candidates (pertinent portion(s) attached). 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election; however, a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify whether the payment to your connected organization was for expenditures which were intended to influence federal elections and provide the dates of the activity conducted by your connected organization. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

-Your report discloses in-kind activity which appears to be reported incorrectly. When disclosing an in-kind contribution to a candidate on Schedule B for Line 23, two entries should be recorded. The first entry gives the name, address, purpose, and amount of disbursement to the vendor. The second, a memo entry, gives the name, address, election designation and amount of contribution to the supported candidate. Please

use the attached example as a guide for future reporting of in-kind contributions to candidates.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,
