REFERENCE: YEAR-END REPORT (10/01/2021 - 12/31/2021)

Dear Ms. Ringgold:

This statement is in response to the Commission's letter to the Committee dated April 5, 2022, requesting additional information on three items related to the above-referenced report ("the Original Report").

First, the Committee has corrected the Column B totals in the Amended report being filed concurrently with this response.

Second, the Commission's letter requests clarification regarding certain contributions disclosed on the above-referenced report appearing to exceed federal contribution limits. All of the contributions identified in the Commission's letter were properly and timely reattributed or returned to a joint fundraising committee ("JFC") in which the Committee participates for proper reallocation, as is reflected on the subsequent Committee Report.

Third, the Commission's letter requests clarification on a contribution from one (1) contributor identified as Non-Federal Committee. The Committee has refunded this contributor in a timely manner.

Please feel free to contact us if you have any further questions.

Sincerely,
Bradley T. Crate
Treasurer
