Response Due Date

IDENTIFICATION NUMBER: C00283135

REFERENCE: MARCH MONTHLY REPORT (02/01/2026 - 02/28/2026)

Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The beginning cash balance of this report does not equal the ending balance of your February Monthly Report (1/1/26 - 1/31/26). Please correct this discrepancy and amend all subsequent report(s) that may be affected by the correction. (52 U.S.C. §30104(b))

2. Schedule A of your report discloses a MEMO entry for a contributor with a negative aggregate year-to-date, which appears to reflect a refund of a contribution made in a prior year. Please be advised that the aggregate year-to-date total for a contributor should reflect only those contributions received within that calendar year. Please amend your report to provide the correct aggregate year-to-date total.

- For your information and consideration for future filings, Schedule B supporting Line 23 of the Detailed Summary Page discloses contributions to federal candidate committees designated for Primary 2021 and General 2021. However, Primary and General Elections for Federal offices were not held in these states and districts in 2021. Contributions not designated for a valid election will be attributed to the next election for Federal office in which the candidate is participating. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2)) For future filings, please include valid election designation(s) if applicable.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
