1. The three contributions were in fact from three different donors that were distinguished by prefixes and suffixes that did not pull on the report due to the reporting software. The amended report correctly attributes the three contributions to the following three donors, James Wilson III, James Wilson Jr, and Mrs. James Wilson. Please note that Mrs. James Wilson is correctly referenced on the amended report as Wynona Wilson. 2. Our committee's procedures are in compliance with the best efforts provisions cited in your letter. As an initial matter, all committee solicitations request the employer and occupation and notify the donor that the Committee is required to report that information. For those donors who choose not to provide the occupation and employer information, the Committee, within thirty days of receiving the contribution, sends the required follow up letter, which asks the donor again to provide the information, and again advises the donor of the Committee's obligation to report the information. These follow up letters include a pre addressed return envelope for the donor's convenience. Finally, all such information received is captured in our database and reported going forward.
