**FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION****Form/Schedule: F3A****Transaction ID :**

Response to RFAI dated November 7, 2024: PART I. The Committee examined its report for contributions that appear to exceed the FECA contribution limits. Three (3) corrections have been made in this Amendment to correct this issue. Two (2) of the apparent excess contributions appear to have resulted from the Committee's database default settings, which cause contributions to be designated for the primary election versus the general election. A review of scans and electronic records of the contributions and discussion with individual donors revealed that the designation as primary or general for two (2) contributions did not match the expressed donor intent and required correction. Corrections have been made to these entries and reporting for the contributors identified in this RFAI, and all contributions reflect the proper period designation and are within FECA contribution limits. One additional PAC contribution appeared to be in excess of FECA contribution limits; a partial contribution refund of \$500 was made to correct this inadvertent error. The PAC donor is now within FECA contribution limits. PART II. Corrections have been made to correct the incorrect designation of multiple contributions received after the March 19, 2024 Primary Election for the 2024 primary election period versus their proper designation as general election period contributions. As noted above, the Committee has an issue with the Committee's database default settings, which cause contributions to be designated for the primary election versus the general election. Corrections have been made to these entries and reporting for the contributors identified in this RFAI, and all contributions reflect the proper period designation and are within FECA contribution limits. PART III. The Committee examined four (4) contributions disclosed in Schedule A, Line 11(a)(iii) that contained the incorrect election period designation O2024, Headquarters. This error was caused by an apparent issue with a bulk donation record upload. Each of these contributions has now been corrected to report a proper and donor-indicated election period designation of O2024, General. Due to these corrections, amendments are being filed for the 2024 April, July, and October quarterly reports, as well as the 2024 Pre-General Report.
