Dear Mr. Buhr:

We write this letter in response to your August 29, 2021 letter concerning the Amended 30 Day Post-General Report (10/15/2020 ? 11/23/2020) of Jaime Harrison for US Senate (the ?Committee?).

1.Due to unprecedented last-minute support for Jaime Harrison?s candidacy and an incredible outpouring of financial contributions, a tiny percentage of the Committee?s ?last minute? contributions were only disclosed on the 30 Day Post-General Report. The Committee takes its compliance obligations incredibly seriously and had robust procedures in place for checking for these contributions. Tellingly, the Committee filed numerous other ?last minute? contribution reports correctly after the close of books for the 12 Day Pre-General Report. The contributions identified in Schedule A of your request were correctly reported on the Committee?s Amended 30 Day Post-General Report.

2.The Committee participated in a joint fundraising committee, Win the Senate 2020, for a very short period of time in 2020 and that participation has concluded. The joint fundraising committee itself existed for less than five months. The Committee correctly reported the transfers it received from the joint fundraising committee, ensuring that the public had clear and complete information about these fundraising efforts. Win the Senate 2020 has since terminated (and indeed, its termination report was filed on the same day as the Committee?s original 30 Day Post-General Report) and thus the Committee is unable to amend its Statement of Organization to disclose it as a joint fundraising representative at this time.

We hope that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact me.

Very truly yours,

David Adams
Treasurer
Jaime Harrison for US Senate
