re: FEC Identification Number C00395939

Dear Sirs:

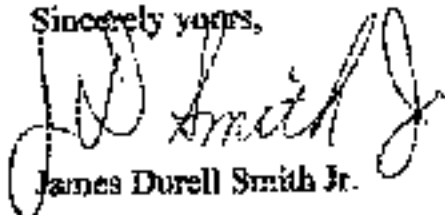

Please cancel or void the above registration. After review of the documents we have realized that the registration was made in error as the candidate has not received contributions in excess of \$5,000, nor had expenses in excess of \$,000.

We have not contacted you earlier as I went into the hospital for acute respiratory distress and in addition the candidate was also unable to contact you instead of myself as he suffered a heart attack, which resulted in both myself as treasurer and the candidate both being hospitalized.

In addition to the written request to cancel or void said registration, please be advised to consider also this a written statement that the committee has no outstanding debts or obligations.

Therefore due to the emergency hospitalizations of both the candidate (heart attack) and myself (treasurer) please consider per FECA chapter 95 or 96 of title 26 that the committee has made best efforts to have been in compliance by requesting the cancellation, voiding or termination of registration after the discovery that registration has been made in error.

Sincerely yours,

James Durell Smith Jr.
