The Committee's best efforts to obtain contributor's full name, mailing address, occupation and name of employer information for contributions in excess of \$200 includes the following: 1. All campaign solicitation materials state that the Committee is required by Federal law to use its best efforts to collect and report this information. 2. Within 30 days of receipt of the contribution, the Committee makes one or more follow-up telephone calls to contributors with missing information in an attempt to obtain the missing information. In these telephone calls, the Committee's staff informs the contributors of the requirements of federal law for the reporting of this information. 3. The Committee does not solicit any additional contributions when making a telephone call to a contributor to obtain the missing information. The Committee will file an amended report if missing contributor information is received by the Committee after the contribution(s) has been reported.
