I intended to file well over a week ago, but due to a very unorganized FEC website still under construction, and conflicting instructions within that website, I was considerably delayed. I was lead to believe by this website's instructions that I had to use FECFile to file my candidacy, which required a Committee ID to download, which then required an EIN and appropriate bank account to file a committee Statement of Organization (in the exact opposite order that your instructions suggested). After having finally taken care of all of that, I finally find myself here, without the need of actually having to do all that first. If you have any questions, please call me. 337-281-2494 It should be noted that I have not yet reached my \$5,000 threshold in either campaign contributions and/or expenditures, so I am still within the legal requirements for filing.
