REFERENCE: APRIL QUARTERLY REPORT (01/01/2023 - 03/31/2023)

Dear Mr. Dobi,

This statement is in response to the Commission's letter to the Committee dated July 5, 2023, regarding two (2) items.

First, the Commission's letter requests clarification regarding one contribution disclosed on the Original Report that appears to exceed federal contribution limits. Due to a clerical error, this contribution was inadvertently designated as Primary 2024 when it should have been designated as General 2024. The Committee has amended its April Quarterly Report to correct the election designation.

Second, the Commission's letter requests clarification regarding contributions disclosed on the Original Report that were received through a conduit. Due to a clerical error, some conduit memo entries were disclosed with the incorrect amount. This has been corrected on the Amended Report being filed concurrently with this response. All contributions which met the threshold for itemization were itemized on the Original Report.

Please feel free to contact us if you have any further questions.

Sincerely,

Bradley T. Crate
Treasurer
