Reference: 30 Day Post-General Report (10/20/04 - 11/22/04)

Dear Mr. Goode:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 11(c) of your report discloses a receipt from a candidate committee (see attached) which requires further clarification. For example, if this activity represents a transfer of funds, please indicate "transfer" on Schedule A supporting Line 11(c) of your report. If this activity represents a reimbursement for services provided to this committee, please indicate this on Schedule A supporting Line 15 of your report. Please amend your report to clarify the type of activity this receipt represents.

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §1102(d) prohibit a state, district or local party committee (combined) from receiving any contribution from a multicandidate political committee in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

-Your report discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Each state, district or local party committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses (excluding salary) between the accounts according to a fixed percentage selected on FEC Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. Payments for salary and wages for employees who spend more than 25% of their compensated time on Federal election activities or on activities in connection with a Federal election must be made from a federal account and disclosed on a Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §106.7

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-Schedule B supporting Line 21(b) of your report discloses payments for "canvasser" which appears to be disclosed on the wrong line of the Detailed Summary Page. Please be advised that Voter Identification, Generic Campaign and Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot is considered to be Federal Election Activity. 11 CFR §100.24 Please amend your report to properly disclose this activity on Line 30(b) or provide clarification regarding this activity.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.
