REFERENCE: TERMINATION REPORT (04/01/2026 - 07/15/2026)

To Whom It May Concern:

This Form 99 is a response to the RFAI issued to the committee on July 22nd, 2026.

The debts in question were paid on March 10, 2026 and disclosed on Line 17 of the April Quarterly report:

3/10/26 - Grassroots Analytics - \$84,667.29 (Transaction ID: 500107826)

3/10/26 - Grassroots Analytics - \$1,746.03 (Transaction ID: 500107829)

Due to an administrative error, the payments were not properly linked to the debt transactions in the committees compliance reporting database, which caused the debts to appear outstanding in the committee's records even though they had been paid.

The committee no longer has access to its compliance reporting database since filing its termination report, and is therefore unable to amend the April Quarterly report to properly link the payments to the debt transactions. The committee requests that this explanation satisfy the RFAI and permit termination without a further amendment to the April Quarterly report.

Please contact us with any further questions on the matter.

Sincerely,

Howie Stanger

Treasurer, Nida for NC
