Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the filing referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 1 item(s):

- The name of your Principal Campaign Committee (PCC) does not include the candidate's name. Commission Regulations require that your PCC include the name of the candidate who authorized the committee. (11 CFR § 102.14(a)) Please amend your Statement of Organization (FEC Form 1) to disclose a Principal Campaign Committee name that also includes name of the candidate.

Please note you will not receive an additional notice from the Commission on this matter. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
