Dear Mr. Harkins:

This response pertains to the Reports Analysis Division's ("RAD") Request for Additional Information ("RAI") dated August 7, 2023, concerning Scalise for Congress' ("SFC") July Quarterly report filed on July 15, 2023.

1) Please see below for details regarding the contributions that exceed the limits set forth in the Act.

Richaed Burgess and Richard Burgess were duplicate records in the database. The records have been merged. This resulted in an overdistribution to the Primary election from a JFC for some of the contributions and those funds were returned to the JFC. Excess contributions were refunded on 8/16/23 and 8/24/23 and will be reflected on the October Quarterly report.

Regarding Thomas Hager, excess contributions were created when a duplicate record was identified and merged. Excess contributions were identified and refunded on 8/16/23 and will be reflected on the October Quarterly report.

Regarding COALPAC National Mining Association PAC and MINEPAC a Political Action Committee of The National Mining, a contribution from a joint fundraising distribution dated 6/28/23, incorrectly attributed \$5,000 from COALPAC National Mining Association PAC to the primary election due to a clerical error. The adjustment will be reflected on the October Quarterly report to correctly attribute the \$5,000 contribution from COALPAC National Mining Association PAC to the General 2024 election.

2) Regarding the contributions made to Daniel Webster for Congress, \$2,000 contributed on 5/26/23 was attributed to the primary election in error. The correct election of General 2024 is reflected on the amended July Quarterly report, FEC-1724057.

Regarding the contributions made to John James for Congress, \$2,000 contributed on 6/05/23 for the general election was cut in error and has been voided. The void will be reflected on the October Quarterly report.

3) Regarding the contribution from a possible prohibited entity, \$300 was refunded to Airboat Adventures, LLC on 7/11/23 and will be reflected on the October Quarterly report.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Benjamin Ottenhoff
Treasurer
