RE: C00096842, RFI dated 11/30/2012

January 4, 2013

Dear Edward Ryan:

On January 3, 2013, the American Electric Power Committee for Responsible Government, ID# C00096842, electronically filed amended reports for the following periods:

- August 2012(07/01-07/31/2012)
- September 2012(08/01-08/31/2012)
- October 2012 (09/01-09/30/2012)
- Pre-General 2012(10/01-10/17/2012)
- Post-General 2012(10/18-11/26/2012)

This was done to correct a reimbursement on July 2, 2012 by our connected organization of expenses incurred on June 26, 2012 in the amount of \$26,621.02. These expenses were reported on our July 2012 report on Schedule B, line 21(b). The reimbursement was improperly reported as a Contribution? on Schedule A, line 11(a) on our August 2012 report. The amended August 2012 report correctly reflects the reimbursement on Schedule A, line 17 as an Other Federal Receipt.? The subsequent reports were amended to reflect the proper Calendar Year-to-Date totals.

Please call if you have any questions.

Sincerely,

Doreen W. Hohl
Treasurer
