This amendment is being filed in answer to the 4.2.26 RAD. The report that was filed for the 3rd quarter of 2025 was incorrect. The report was scheduled to file and then changes were made after it was scheduled. The change was adding contributions and expenses from a Winred deposit that came in after the quarter but the contributions were made in the 3rd quarter. These changes were not picked up on the report that was filed. The report that was showing in our database was correct so all future reports are correct and do not need to be amended. Crimson/CMDI has also changed the system so you can not longer change a report that has been scheduled to file without unscheduling it in the future.
