Dear Ms. Denbaas:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses earmarked contributions. If the contributions passed through your committee's account, then a notation must be made which states this **and** each must be itemized on Schedules A and B, regardless of the amount. However, if the earmarked contributions were forwarded in the form of the contributor's check, then a notation must be made which states this **and** they should be disclosed as MEMO entries on Schedules A and B. For disclosure purposes, the name and mailing address for each contributor must be provided and where the contribution exceeds \$200, the individual's occupation and name of employer must also be itemized. 11 CFR §110.6(c)(1)(iv)

However, your report discloses a MEMO Schedule A supporting Line 11(a)(i) of the Detailed Summary Page that indicates your committee has received \$500 in earmarked contributions. However, your committee has not provided a corresponding MEMO Schedule B to itemize the actual disbursement(s) to the candidate(s). Please amend your report to provide the omitted schedules.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations, and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
