Dear Ms. Rosenfeld:

On January 24, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 8, 2001, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that you corrected the problems with Lines 6(b), 17, and 20 of the Summary and Detailed Summary Pages; however it appears you did not include the amended Detailed Summary Page when you submitted your amended report. Please submit the missing page.

An adequate response must be received at the Commission by March 7, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
