Dr. Ms. Stilla,

As a best practice and as part of its internal controls, the Committee conducted a 3rd party financial review of its activity in the 2020 election cycle.

The Committee outsourced this work to a professional campaign finance consulting firm that reviewed, in depth, the Committee's financial activity subsequent to the Committee's previous independent review. Amendments were prepared and filed today to reflect corrections discovered during that review.

In addition, the Committee included a Reconciliation Adjustment in the amount of \$20,956.73 2020 Year End report, representing 0.1197% of disbursements made during the cycle. These amendments and this Adjustment bring the Committee's financial activity in alignment with bank activity through Year End 2020.

If you have any further questions, please contact me, the Treasurer.

Sincerely,

Frank Llewellyn
Treasurer
