The Jacob Bouma-Sims committee to elect failed to file the statement of organization as required within 10 days of filing FEC Form 2, statement of candidacy, on May 14, 2026.

The issues included our administrative mistakes in generating resolutions required by our bank, and awaiting the final disposition from the courts regarding this election. (The U.S. Supreme Court ruled June 2, 2026, that Alabama could proceed with this election reset.)

After resolving the administrative issues, we successfully filed Form 1 statement of organization on June 25, 2026.

Our committee remains below the \$5,000 funding threshold at of July 24, 2026.
