

This filing responds to the letter to Honeywell PAC from the FEC issued 11/9/07. The 24 hour notification filing (Schedule E) submitted by Honeywell PAC on 7/9/07 reporting a disbursement to Whitehead for Congress campaign was submitted in error. This disbursement to Whitehead for Congress was a contribution directly to the Whitehead campaign, not an independent expenditure. This transaction was included in the August Monthly Report from Honeywell PAC, filed 8/20/07, in Schedule B (line 23) as required. Therefore, all subsequent report totals for summary and detailed summary pages are correct without need of amendment.
