Ms. Lily Friedman
Reports Analyst
Federal Election Commission
Washington, DC 20463

Dear Ms. Friedman:

The attached is an amendment to our year end report (5/21/95 - 12/31/95).

After conducting an internal audit when converting to a new software system, we discovered a few discrepancies between our itemized and unitemized receipts, although the total amount remains the same. The attached is the corrected version.

In reference to the occupation and employer requirement, we have added any additional information to this amendment. Our "best efforts" to obtain the required information are as follows:

Our solicitations include a request for the information (attached). For those contributions that are lacking the required information, we send out a follow-up letter (attached) with a pre-paid envelope for the contributors convenience.

Please let us know if you have any additional questions.

Sincerely,

Chris Romer
